

KKRC – Lydd 9th March

The challenge is on, new lap records are up for grabs, and today proved to be a test of talent, with the weather doing its best to keep the boys on their toes and the karts on the track, short sharp showers were the order of the day, but sprits were on a high, and with everyone still getting the hang of the anticlockwise track competitors held on for some fantastic racing. But as the day went on the weather improved and so did the racing, and the sun shone down on all.

Comer cadets and Honda cadets saw 17 bright eyed and enthusiastic drivers on the grid, and qualifying was successfully completed without too much trouble, gaining positions for their heats, some being in pole for the first time. As the final started so did the cheering, Conner Jupp in Honda held his own all the way to the finish line taking 1st place followed by Sam Modi 2nd and Conner Mills 3rd, not to be out shone were the Comer cadets with an exciting last few laps, 1st Luke Stark, 2nd Jordon Hollands, followed by Mikey Doble in 3rd.

Mini max drivers battled it out during the day, each driver feeling the way for the final, Aidan Hills on pole followed by the rest of the pack, but by the time the chequered flag came out the results too had changed, Harry Crawley taking 1st, Jack Barlow 2nd, and Aidan Hills hanging on to 3rd.

Junior max driver Hannah Cockill gave the boys a run for their money during the heats. According to her wet is best. When it came to the final though Hannah just ran out of the wet stuff and had to give best to the boys, with Jack Sales taking 1st, Bradley Smith 2nd, Jamie Bond 3rd, but Hannah held on 4th

Senior max drivers gave an exciting final with no one ready to be passed Harry Cockill and Sam Ashdown battled throughout for 1st place, generally Cockill lead, however 3 laps from the end Ashdown found a way past, only his lead was short lived and 3 corners later Cockill was back in front, half a lap from the end a final challenge from Ashdown saw both drivers take to the grass, Cockill was quickest to recover to take 1st place, by the time Ashdown had recovered both Brett and Kite had passed him to take 2nd and 3rd respectively leaving Ashdown to finish 4th.

Results

Honda Cadet Full Plate	1st Conner Jupp (Project One) 2nd Sam Modi (Project One) 3rd Conner Mills (Project One)
